SUBJECT: Fiscal Year-End June 30, 2019 Schedule for Financial Processes and Services

DATE: March 19, 2019

This memo transmits the current fiscal year-end schedule of deadlines for University financial processes and services, including Cal Poly Foundation and University Campus Programs. The primary objectives of this schedule are to ensure that the Cal Poly fiscal year-end close process is completed timely and that all associated financial reports and submissions are accurate and complete. We rely on the campus community in order to accomplish these objectives by asking that you meet all of the deadlines, as outlined on the attached, so that we are able to complete all of the critical steps throughout the fiscal year-end close process. The last page of the attached document summarizes the dates and the business services contacts in an easy to reference format.

If you have questions about the information shown on the attached, feel free to call or email the contacts listed for assistance with these or any other business services processes.

Please distribute this memo within your areas as necessary.

Thank you.

PROCUREMENT SERVICES

GENERAL INSTRUCTIONS:

Procurement Services (PS) has established the following deadline dates to ensure timely processing of orders for commodities and services within the requirements of State statutes (e.g., competitive bidding). All requisitions received with appropriate documentation (back-up) on or before the deadlines listed in the following sections will be processed and recorded as current fiscal year transactions. Late requisitions will be processed as time allows and after any requisitions received by the established deadlines.

We would like to take this time to remind you that CSU and campus policies require compliance with specific rules and reviews before certain classes of procurements (e.g., software and information technologies) may be processed by SBS. Please submit your purchase requirements early so that SBS can act on your requisitions in a timely manner.

Deadlines for purchase transactions are provided in the following section. It is recommended that departments organize their purchasing activity as follows:

- **Complete all ordering as early as possible.** While fiscal year-end deadlines are outlined later in this memo, it is best to submit all orders as soon as possible to ensure timely processing.

- Invoices for annual orders for services and/or goods purchased should be approved and received in Payment Services no later than **Friday, June 21, 2019.** After these invoices are processed, remaining encumbrances for all annual agreements will be liquidated.

1. **PURCHASE REQUISITIONS**

   Deadlines for submitting purchase requisitions for items chargeable to the current fiscal year are listed below. Questions regarding the purchasing deadlines should be directed to SBS (extension 6-2232, Administration Building, Room 128).

   - **$50,000 and Over** Requisitions must be budget checked, approved, and all back-up received by **Friday, April 5, 2019.**
   - **$2,501 to $49,999** Requisitions must be budget checked, approved, and all back-up received by **Friday, May 3, 2019.**
   - **$2,500 or Less** Requisitions must be budget checked, approved, and all back-up received by **Friday, May 31, 2019.**
   - **Change Orders** All change orders must be received by **Friday, May 24, 2019.**

   Purchase requisitions (including approval, budget check, and back-up) received on or before the above deadlines will be processed as current fiscal year purchase orders.

2. **PURCHASE REQUISITIONS SUBMITTED AFTER DEADLINE DATES**

   Late purchase requisitions will be processed if time allows.
3. **ANNUAL PURCHASE ORDERS**

Annual purchase orders expire on **June 30, 2019**.

It is the responsibility of each department to review existing annual purchase orders to determine if the balances remaining will be used during the current fiscal year or if the order should be decreased. Requests for changes to these purchase orders must be emailed to the appropriate Procurement Specialist and received no later than **Friday, May 24, 2019**. Changes to annual purchase orders received after this date will be processed as time allows. All approved invoices must be received Payment Services by **Friday, June 21, 2019**.

ALL remaining encumbrances for annual orders will be liquidated at that point. Invoices received after **June 21, 2019** will be charged to next fiscal year.

4. **UNIVERSITY CONTRACTS**

1. **HOURLY EMPLOYEE PAYROLL APPROVAL**

   The last day for online approval of hours for all staff hourly and student pay for the May 2019 pay period is **Tuesday, June 4, 2019**. Hours for pay entered and approved online by this date will be included in the current fiscal year.

   A CPO is a CSU system-wide mechanism to allocate funding and recover costs between our campus and other CSU campuses or the Chancellor’s Office (CO). It replaces billing and invoicing between CSU entities. When generating a CPO request to collect funds from another campus or the CO, there must be some form of written acceptance of the charges from the remitting campus or CO that has been agreed upon by both parties. This can be in the form of an agreement, contract, MOU, or an email exchange.

   Questions regarding CPO requests should be directed to Elizabeth Baker, University Accounting & Reporting (extension 6-5813, Administration Building Room 131).

   For CPO Request form and guidelines refer to: [http://www.calstate.edu/acct/policies_procedures/co/index.shtml](http://www.calstate.edu/acct/policies_procedures/co/index.shtml)

If you have previously reported significant software holdings that have been disposed, make sure to include that information as well. The information must be received by **Friday, June 14, 2019**.
