Objective

*Campus Administrative Manual* (CAM) was a *combined policy and procedures* manual for campus administration since the 1970’s. The President’s Office began replacing CAM with CAP in 1999.
“In accordance with good organizational practices,
Cal Poly will:
  • Create
  • Integrate
  • Implement
  • and Maintain
a unified and comprehensive system of administrative policies, standards and definitions.”

Campus Administrative Policy:

- Provides a uniform system of policies.
- Provides a single location for all CAP policies for ease of locating and use.
- Cites appropriate CSU and State authority.
CAP was designed to be policy statements without procedures as process changes quickly but the base policy stays consistent over time.

**Logic:**

**CAP Approval Process**

- Draft and Submit
- Review and Revise
- Post Interim
- Post Approved
