Commuting to Campus

- Bicycles: Currently, there are over 1,000 bike rack spaces and 24-hour bike lockers available on campus. 50% of students and 60% of faculty/staff live within 10 miles of the Cal Poly campus; an easy bike commute.

- Amtrak: Amtrak buses pick up and drop off on campus for train connections to most northbound, southbound, and the San Joaquin Valley trains. Cal Poly students receive a 15% discount from Amtrak through the Annual Student Advantage Program. Site a travel agent for details or schedule your trip at [Amtrak].

- Carpooling (Staff): Carpool spaces have been established on campus for faculty and staff. Each entrance/exit space will only be occupied by registered employees only until 10 am Monday through Friday.

- Vanpooling (Staff): Cal Poly currently has 11 employee vanpools in operation, with over 150 vanpool riders. Check the vanpool schedule at [Vanpooling].
Sponsored Guest Parking

- Sponsored Guest Permits
  - Very Limited number of Sponsored Guest Spaces on campus
  - Sponsored Guest permits valid in
    - Sponsored Guest
    - Staff
    - General
