  - Tips and Tricks
Definitions

- **Requisition**
  - A request from a department to Procurement Services to purchase a good/services on their behalf.
  - Not a binding agreement, nor obligated or “encumbered” funds

- **Purchase Order**
  - A binding agreement between the University and the supplier.
  - Delegated authority by the President to the Procurement Specialist *only*.
you want me to buy thousands of tonnes of wood, enough animal feed for 40,000 animals for a year, and you want it next week!!??

BIBLICAL PROCUREMENT TALES # 17
