Thank you for taking time to read this year’s Annual Security Report. The Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act, commonly referred to as the Clery Act, is a federal mandate requiring all institutions of higher education that participate in federal student financial aid programs to disclose information about certain campus policies, procedures, and crimes reported to have occurred on the campus and certain off-campus locations. This report is designed to provide you with important information about safety and security at Cal Poly. In addition to outlining many of the policies and resources the institution offers the campus community, this report also contains crime statistics for the previous three calendar years of January 1, 2019 - December 31, 2021.

Campus safety and security is a shared responsibility. The best protection against campus crime is an aware, informed, alert campus community in partnership with law enforcement. The vast majority of our students, staff, faculty, and visitors do not experience crime at Cal Poly. However, despite our best efforts, crimes sometimes still occur. This information is provided because of our commitment to campus safety and security and in compliance with federal law. We hope you find this report informative. If you have questions or would like further information about the Clery Act, please visit the Clery website at https://afd.calpoly.edu/clery/.

Sincerely,

Jeffrey D. Armstrong
President
The Civil Rights & Compliance Office (CRCO) prepares this report annually to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the Cal Poly Police Department (CPPD), local law enforcement agencies surrounding our main campus and alternate sites, University Housing, the Dean of Students, and Student Affairs. Each reporting entity provides updated information on their educational efforts and programs to comply with the Act.

The statistics contained in this report are Clery Act reportable crimes, hate crimes, and violations of state and local drug, liquor, and weapons laws occurring within Clery geography where arrests or referrals for discipline were made. Crime reports are collected by the Clery Compliance Team (CCT) and the Cal Poly Police Department. CPPD conducts outreach and establishes collaborative relationships with local and state law enforcement agencies to encourage statistical Clery reporting by those agencies serving the public property areas identified as noncampus properties where CPPD does not patrol or provide primary law enforcement response.

Cal Poly Campus Security Authorities (CSAs) report crimes to the Clery Director throughout the year to be included in this report and for Timely Warning consideration. These CSAs are campus staff and faculty with significant responsibility for student and campus activities and include, but are not limited to the Dean of Students, Residential Student Experience staff, Athletics staff, Student Club advisors and Student Affairs personnel.

CSAs must promptly report allegations of Clery crimes that occur within a Campus’ Clery Geography that are reported to them. A report may be a written or verbal disclosure made by any person to the CSA, including information shared with the CSA by witnesses or other third parties. CSA reports must include the following, if known: the crime that was reported and the information provided, the exact location where the reported crime occurred, the date and time the reported crime occurred, and any witness and perpetrator information. Victim information, unless the victim requests confidentiality (employees may be required to share this information with other offices if they have responsibilities under other laws and policies including, but not limited to, Mandatory Reporting of Child Abuse and Neglect, and Interim CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation. In the event the victim does request confidentiality, enough information must be obtained and provided by the CSA about the criminal incident to prevent over-reporting or “double-counting” of the incident.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. Hate crimes includes any offense in the following group: murder and nonnegligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on campus, residential facilities, noncampus buildings or property, and public property.

### PROCEDURES FOR STUDENTS & OTHERS TO REPORT CRIMINAL ACTIONS OR OTHER EMERGENCIES ON CAMPUS

All students, employees, and visitors are strongly encouraged to report criminal incidents, suspicious activity, and emergencies promptly and accurately to the Cal Poly Police Department either by phone or in person at the Cal Poly Police Department or by any of the means listed below. Per Campus Administrative Policy (CAP) 351.5, “Traffic accidents, criminal activity, or serious personal injury/property damage shall be reported directly to University Police.” Incidents that may or may not be crimes may also be reported to Campus Security Authorities (CSAs) which are defined in this report. These reports can be made in person, via telephone, text, or email to any campus employee who is designated as a CSA. Campus members designated as CSAs are required by the Clery Act to report criminal activity to the Cal Poly Police Department for inclusion in the annual campus crime statistics. The University encourages the reporting of any suspicious incident or crime occurring on campus property through any of the options below:

**Directly to the Cal Poly Police Department**

The Cal Poly Police Department investigates reported crimes and suspicious incidents to the fullest extent possible. This includes both confidential and anonymous reports. For emergencies call 9-1-1 from any phone or text (805) 431-0483 if unable to speak. Additionally, Cal Poly has installed emergency two-way call boxes (Blue Light phones) around the campus for use during emergencies. Users are immediately connected with the Cal Poly Police Dispatch Center. For non-emergencies call (805) 756-2281 or report in-person at Cal Poly Police Department located at Building 36, 24 hours a day, 7 days a week.

Rave Guardian offers Cal Poly users a single safety app that can send anonymous tips, set a safety timer for self-guided on-campus safety walks, text Mustang Patrol directly for safety walks, connect to 24-hour police or support services, and maintain easy emergency communication directly with Cal Poly Police Department.

The term Campus Security Authority, or CSA, “is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution.”

1. A campus police department or a campus security department of an institution.
2. Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
3. Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
4. An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

If a CSA has knowledge of a reportable crime that was not reported for investigation or disciplinary action, that person is required, in most instances, to report the crime to the Cal Poly Police Department for inclusion in the statistics and potential campus Timely Warning notifications. An online reporting form can be found on Cal Poly’s Clery webpage: https://afd.calpoly.edu/clery/csa/csa-reporting.

Cal Poly has identified and provides training to CSAs on campus. The Clery Act does not require the University to publish the name and title of every CSA, however the following key individuals have been identified for ease of referral:

Voluntary and Confidential Reporting

A crime can be reported anonymously by calling the Cal Poly Police Dispatch center at (805) 756-2281 or texting at (805) 431-0483 or though Rave Guardian https://afd.calpoly.edu/police/services/safety-app or report in person and ask to remain anonymous. Reports can also be made anonymously through Crime Stoppers at sanluisobispocounty.crimestoppersweb.com or (805) 549-STOP. Reports made through Crime Stoppers will be routed directly to Cal Poly Police.

Professional counselors in Cal Poly’s Counseling Center inform individuals they are counseling about the voluntary, confidential reporting options available to them.

Crime of Violence Disclosures

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

California Education Code Section 67380(a)(6)(A)

Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or noncampus location as defined by the Clery Act, may not disclose to CPPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally-identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

TIMELY WARNING POLICY

This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of Cal Poly, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.
• Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to complete and document a Timely Warning analysis for referrals to disciplinary action.

• If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.

• If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.

• In the absence of any of these three elements, no timely warning will be issued.

• The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

• The Clery Director (or management designee) is responsible for issuing Timely Warnings.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

• The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report"
• Physical injury to the victim
• Use of weapons
• Forced entry used and/or tools used in commission of the crime
• A suspect arrested or incapacitated by injury
• A suspect that is identified or otherwise can be located by law enforcement
• A suspect that is out of the area
• A victim who fears for their safety from the suspect
• A clear modus operandi and/or pre-planning indicated
• Multiple suspect(s) involved
• A pattern of similar crimes established
• The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.
The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with CPPD about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.)
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s)
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime
- The phone number of CPPD and a statement encouraging community members to report all information about crimes to CPPD
- If appropriate, the phone number of support services

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student email distribution
- University website
- Public area video display monitors
- Hard copies posted on Campus building entrance doors
This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus’ Annual Security Report.

**EMERGENCY NOTIFICATION POLICY**

This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to CPPD and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once CPPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning shall not be issued for the same incident.
Contents of the Emergency Notification

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
- A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

Methods of Distribution

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to ‘opt out’ of the service and not receive any notifications
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in buildings or residence halls
- Local media
- Social media
- Other means appropriate under the circumstances, which campuses shall disclose in their ASRs as applicable.

Testing and Evacuation System

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was announced or unannounced. The California State University
Emergency Management policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

Cal Poly has a dedicated and comprehensive Emergency Operations plan. Campus emergencies are managed through the Department of Emergency Management (DEM) and Emergency Operations Center (EOC). Training exercises are coordinated by the Director of Emergency Management and conducted at least once annually to help maintain staff proficiency and response capability. The DEM conducts follow-through activities after testing designed for assessment and evaluation of emergency plans and capabilities. The emergency response notification system is tested by DEM three times each academic year (fall, winter and spring quarters). Additional information on the campus emergency management plan can be located at: http://afd.calpoly.edu/emergency/.

Cal Poly Police and Environmental Health & Safety (EH&S) coordinate with University Housing to conduct planned evacuation drills of the on-campus housing three times each academic year (each fall, winter, and spring quarters). EH&S conducts planned emergency response notification and evacuation drills of high-occupancy facilities including Kennedy Library, the Administration Building, University Union, Christopher Cohan Performing Arts Center, Recreational Sports Building, ASI Children’s Center, all Campus Dining facilities, and the Facility Services buildings annually. Every on-campus fire alarm is tested at least once annually. These drill dates are sent out via the Facilities-cbs-notifications email address in the weeks prior to each round of drills.

Each test or drill will be documented to include a description of the exercise, the date of the test, the start and end times of the test, and whether the test was announced or unannounced. It is standard practice that the Department of Emergency Management consistently tweets about emergency response drills, including those performed by the Emergency Operations Center team and various public safety departments. Their Twitter can be found here: twitter.com/calpolydem. For all Emergency Operations Center functional exercises, the Department of Emergency Management also works with University Communications to create press releases.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES, AND SECURITY CONSIDERATIONS FOR THE MAINTENANCE OF CAMPUS FACILITIES

Campus facilities are provided primarily for the education-related needs of enrolled students and employees. Use and allocation of University Facilities is governed by Campus Administrative Policy (CAP) 390 Space Management Policy. Academic buildings are open Sunday through Saturday from 7:00 a.m. to 10:00 p.m. and locked each night. Administrative buildings are generally open Monday through Friday from 7:00 a.m. to 5:00 p.m. and locked each evening. During the academic year, the University Union is open Monday through Friday from 6:00 a.m. to 1:00 a.m. and Saturday and Sunday from 8:00 a.m. to 1:00 a.m. During the academic year, the Recreation Center is open Monday through Friday from 5:30 a.m. to 12:30 a.m. and Saturday and Sunday from 8:00 a.m. to 12:30 a.m. Persons without a lawful purpose may be removed from the campus per California Penal Code Section 626.6. Access to campus residences is restricted to building residents and guests, and is regulated by University Housing.

All entrances to residence halls and university apartments are locked 24 hours a day. Students who live in campus housing may enter the building by using their room keys/key cards. Security phones are installed throughout University Housing communities for emergency use. Students who have room or apartment doors open to publicly accessible areas are reminded and encouraged to keep doors closed and locked at all times.
Agriculture Housing is managed by the College of Agriculture, Food and Environmental Sciences (CAFES). Each Ag Housing unit is accessed by a key into the main house and each individual room has a unique key. Students are reminded and encouraged to keep doors closed and locked at all times.

All on-campus facilities are patrolled 24 hours a day, 7 days a week by Cal Poly Police officers. Facilities found unsecured and maintenance problems (e.g., broken locks) are reported immediately to facilities and secured as needed. In addition, residence hall and apartment staff conduct routine maintenance and safety inspections which include exterior door security.

Swanton Pacific Ranch (SPR) facilities are under lock and key 24 hours a day, 7 days a week where a key or key code is required for entry. Facilities are generally open from 8:00 a.m. to 5:00 p.m. each day and locked in the evening. All facilities and housing, except for the main office, are behind gates under lock and key. Gates are generally open during normal business hours from 7:00 a.m. to 5:00 p.m. Monday through Friday and locked each evening. There is wired telephone service in the main office area and at the director’s housing location to contact emergency services. Though generally limited, there are also remote locations throughout the Ranch with sufficient cellular phone coverage to reach emergency services. There is also a two-way radio system used by Ranch staff and visitors for onsite communication needs. Facilities found unsecured and maintenance problems (e.g., broken locks) are reported immediately to a SPR facilities and equipment specialist and secured as needed.

On-campus residents in residence halls or apartments should report any residence facilities maintenance needs, such as inoperative door or window locks, non-functioning lights, broken windows, and torn window screens promptly to University Housing staff. University Housing staff will coordinate all requests to facilitate timely repair.

Residents living in Ag Housing should report any residence facilities maintenance needs, such as inoperative door or window locks, non-functioning lights, broken windows, and torn window screens promptly to their supervisor and the College of Agriculture, Food and Environmental Sciences’ Dean’s Office who will coordinate all requests to facilitate timely repair.

All members of the campus community are encouraged to report maintenance needs, such as non-functioning street or parking lot lights, landscaping that needs trimming for safety reasons, or any other issue directly to Facilities Customer and Business Services at (805) 756-5555. Facility Services staff, including custodial workers, landscapers and building trade employees also participate in a cooperative relationship with the campus community to promote and maintain a safe campus environment.

Campus facilities and grounds are frequently checked by various entities for safety consideration and maintenance. Cal Poly Police Department conducts patrols 24 hours a day, 7 days a week of all campus grounds, buildings, roadways, pathways, parking facilities and lots. Security concerns, such as broken lighting in parking areas and pathways, are promptly reported to facilities personnel for maintenance. Environmental Health and Safety is responsible for and conducts facility safety inspections throughout the year including but not limited to egress and evacuation routes, lighting in stairwells and hallways, and fire alarm testing/evacuation. In addition, University Housing staff are required to report any building safety concerns to the proper department for attention, repair, and/or correction depending on the concern (Cal Poly Police, Facilities, Environmental Health and Safety, etc.)

The University takes appropriate precautions to provide security during maintenance of facilities. Routine maintenance of facilities is conducted primarily by University employees. Maintenance and custodial employees in the campus residences are appropriately supervised and do not enter private rooms without University direction. Contractors in the campus residences work either in empty buildings or directly under supervision of University
employees. General contractors on campus are also responsible for security for the facilities in which they are working and the sole occupant (new construction or empty facilities). Specific direction and a University liaison are provided for each contractor/project.

SYSTEMWIDE LAW ENFORCEMENT POLICY, LAW ENFORCEMENT AUTHORITY

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers shall not exercise their powers or authority except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code § 830.2(c); Penal Code § 836):

a. When the officer has probable cause to believe the person committed a felony.
b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.
c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.
d. When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.
e. In compliance with an arrest warrant.

On duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

On duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact CPPD and/or other appropriate police agencies when they have been the victim of, or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

Law Enforcement Interagency Cooperation

Cal Poly Police Department has an excellent rapport and effective relationships with allied law enforcement agencies as described below:

City of San Luis Obispo Police Department (SLOPD)

---

1 Including the authority to make arrests
Cal Poly Police maintains an excellent relationship with the City of San Luis Obispo, which borders the campus. The San Luis Obispo Police Department helps to maintain a safer campus by providing mutual aid assistance when requested and jointly trains with Cal Poly Police officers throughout the year. Pursuant to a Memorandum of Understanding (MOU), Cal Poly Police and SLOPD share congruent jurisdiction within a one-mile radius extending from campus borders into the City of San Luis Obispo. Cal Poly Police officers proactively patrol within this one-mile radius and have the ability to enforce city ordinances and issue municipal citations for public disorder crimes.

San Luis Obispo County Sheriff’s Office

Pursuant to a Memorandum of Understanding (MOU), if a major crime occurs on campus that exhausts the resources of the Cal Poly Police, the San Luis Obispo Sheriff’s Department shall be asked to assist with their resources. All other crimes are routinely investigated by members of the Cal Poly Police Department. The Cal Poly Police Department also partners with the County of San Luis Obispo in county-wide emergency management. San Luis Obispo County also has specialized units such as K-9, Victim Services, SWAT, and Bomb Squad units that may be called to assist if needed. Additional information about the County of San Luis Obispo and the services provided by the Sheriff’s Office can be found at: https://www.slocounty.ca.gov/.

Federal and State Law Enforcement

Cal Poly Police may also utilize the services of the California Highway Patrol (CHP), U.S. Secret Service, and FBI while investigating major crimes or to provide security during events or for public figures who may visit the campus.

Monitoring and Recording Crime Activity at Noncampus Locations of Student Organizations

The campus records and monitors, via local law enforcement agencies, criminal activity at noncampus locations of student organizations officially recognized by the campus, including student organizations with noncampus housing facilities. These agencies include, but are not limited to, the San Luis Obispo Police Department and the San Luis Obispo County Sheriff’s Office. Crimes reported as occurring at locations outside the physical boundaries of the University are generally investigated by the agency having primary jurisdiction over the location. These include campus recognized fraternity and sorority houses, which are located within the City and County of San Luis Obispo. This information is requested by the University and published in the report; however other police agencies are not required by law to provide the requested information.

SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS

The Cal Poly Police Department stresses the importance of campus safety through a variety of means. The department coordinates and administers programs available to members of the campus community and encourages students and employees to be responsible for their personal safety and the safety of others. Cal Poly Police work closely with University Housing staff to provide training and educational information on crime prevention and personal safety techniques throughout the year. Cal Poly Police, Department of Emergency Management, Housing staff, and Safer staff provide presentations of campus safety policies and procedures to all incoming students and their parents at mandatory orientation sessions for all incoming students before they arrive at Cal Poly, and also during mandatory Week of Welcome sessions for all first-year students and residents the week before classes begin.
During mandatory annual orientation sessions, students and parents are informed of safety services offered by Cal Poly Police as well as the San Luis Obispo Police Department. These sessions address topics including personal safety awareness, sexual and dating violence prevention, alcohol and other drugs awareness, protection of personal property, bystander intervention and affirmative consent, and the role of each community member in the development of an overall sense of safety for their own security and the security of others. The sessions also address campus security and inform them about crime on campus and the surrounding neighborhoods. Informal or formal lectures on personal safety, including active shooter training, can be scheduled throughout the year for any size group by contacting Cal Poly Police directly at (805) 756-6652. The campus has also placed Emergency Blue Light phones throughout campus which connect a caller directly to Cal Poly Police Dispatch. During the academic year, Cal Poly Public Safety also provides a free safety Mustang Shuttle seven days a week from 5:30 p.m. to 12:10 a.m. and Mustang Patrol, a walking escort program, available to all students, faculty, and staff on Sunday-Thursday 7 p.m. to 11:00 p.m. and Friday-Saturdays from 8:00 p.m. to 2:00 a.m. to any location on campus as an alternative to walking alone at night.

Cal Poly Police Department has also implemented the safety app, Rave Guardian. Rave Guardian offers Cal Poly users a single safety app that can send anonymous tips, set a safety timer for self-guided on-campus safety walks, text Mustang Patrol directly for safety walks, connect to 24-hour police or support services, and maintain easy emergency communication directly with Cal Poly Police. More information can be found here: https://afd.calpoly.edu/parking/safetyprograms/

Under the authority of CSU Executive Order 1056, California Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS), the Department of Emergency Management (DEM) has established the Cal Poly Emergency Management Organization (EMO) which includes, Emergency Policy Group (EPG), Emergency Operations Center (EOC), Emergency Services, Building Emergency Response Coordinator (BERC) program, and Disaster Assistance Teams. The EPG and EOC are the central coordinating bodies for all response operations and are comprised of executive leaders and senior campus officials and support the Emergency Services personnel who are responsible for field response operations. BERCs are designated as the front line first responders for each building on campus during a campus emergency. They oversee building specific emergency preparedness planning efforts and facilitate building emergency functions such as evacuations, shelter in place, personnel accountability, and damage assessments. In an emergency, they facilitate evacuations of building personnel with subordinate staff and contact DEM through the pre-established conference call line. The entire EMO are provided emergency preparedness and response training on a monthly, quarterly, and annual basis. In addition, the DEM provides presentations to students, faculty and staff on personal preparedness upon request. These can be scheduled throughout the year for any size group by contacting the DEM directly at dem@calpoly.edu.

In addition to these safety presentations, safety information is disseminated to students, faculty and staff through advertisements, social media, articles in the University newspaper, and through security alerts and Crime Bulletins posted prominently throughout campus and/or via electronic format through the campus email system.

Cal Poly Police stress the importance of crime prevention. Each officer is responsible for problem identification and proper education to the campus community of potential criminal activity and opportunity. Cal Poly Police coordinate and administer several programs available to members of the campus community and encourage students and employees to be responsible for their personal safety and the safety of others, when possible. Cal Poly Police work closely with Residential Student Experience staff to provide training and educational information on crime prevention. Cal Poly Police offer crime prevention and awareness presentations to campus organizations, departments, clubs and groups upon request throughout the year. Cal Poly Police, as well as Housing and Safer staff, provide presentations to all incoming students and their parents as part of Week of Welcome and the SLO Days orientation program held in the summer before they arrive at Cal Poly for the academic term. **POSSSESSION, USE, SALE AND ENFORCEMENT OF FEDERAL AND STATE ALCOHOL AND DRUG LAWS**

Cal Poly is dedicated to providing the best academic and professional experience that can be offered to its students, faculty and staff. The use of illegal drugs and the abuse of alcohol are known to be at cross-purposes to this mission and are not tolerated on campus. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Cal Poly Police Department enforces laws regulating alcohol and drugs, including state underage drinking laws. Students, faculty, and staff in violation of alcohol and drug laws may also be referred to the offices of Student Rights and Responsibilities, Human Resources, or Academic Personnel for administrative discipline.

The possession, sale or the furnishing of alcohol on the University campus is governed by CSU Executive Order 1109, Cal Poly Campus Administrative Policy 172, and California state law. Use of alcohol at Cal Poly is strictly controlled, limited to those persons 21 years of age or older, and must be in compliance with California state law and University policy. In all cases, the possession, transportation, and/or consumption of alcohol by individuals less than 21 years of age is strictly prohibited and in most cases illegal. Campus Administrative Alcohol Policy 172 can be found at [https://policy.calpoly.edu/cap/100/cap-170#cap-172](https://policy.calpoly.edu/cap/100/cap-170#cap-172).

The Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989 require that Cal Poly must create and maintain a drug-free environment and implement a program to prevent the unlawful possession, use, or distribution of drugs, and the abuse of alcohol by its students and employees. Cal Poly expressly prohibits the manufacture, use, sale, purchase, transfer, or possession of dangerous drugs or narcotics, except when lawfully prescribed for medical or dental care, or when lawfully permitted for purposes of research, instruction or analysis. This includes marijuana, cocaine, heroin, and morphine, as well as barbiturates and amphetamines. In addition, campus regulations prohibit students or employees from being under the influence of any legal or illegal drug while on campus, with the exception of legally prescribed medications which do not
adversely affect the student's or employee's work ability, job performance, or the safety of that individual or others.

Student violators are subject to discipline through the Student Conduct process (refer to CSU Executive Order 1098, found at https://calstate.policystat.com/policy/8453518/latest/), which may result in either probation, suspension, or expulsion from the University and/or the CSU system. This may also include removal from University Housing. Parents or guardians may be notified about any disciplinary violation involving alcohol or a controlled substance that has been committed by a student who is under the age of 21.

Employees in violation of the University alcohol and drug policies may be subject to corrective action, dismissal, requirement to participate fully in an approved counseling or rehabilitation program, or other applicable legal sanctions under local, state and federal laws.

All members of the campus community may be subject to criminal prosecution for violation of applicable local, state, or federal laws.

Text offered below is direct policy related to the use of alcohol and drugs for faculty, staff, students, and all other campus entities.

**CAMPUSWIDE POLICY**

Use, possession, manufacture or distribution of illegal drugs or drug-related paraphernalia, (except as expressly permitted by law and University regulations) or the misuse of legal pharmaceutical drugs is against the Student Code of Conduct.

**MARIJUANA POLICY**

Marijuana is against Campus Policy as of The California Code of Regulations Title 5.2 §41301(b)(9) and the Cal Poly University Housing contract both prohibit the possession of and use of illegal drugs or drug-related paraphernalia on campus, including marijuana. This means that a medical marijuana card is not a defense for using or possessing marijuana on campus. Valid medical marijuana cards are only used as a defense to a criminal charge. Refer to Campus Administrative Policy 170 Student Code of Conduct – particularly relating to Alcohol and Other Drugs.

**ALCOHOL POLICY**

*Philosophy and Objective*

The University is guided by the tenets of the Mustang Way: pride, responsibility and character. Further, the University is dedicated to maintaining a safe and healthy learning environment for all members of the campus while fostering an academic setting that values community engagement and student success.

In keeping with these principles, the University Alcohol Policy is designed to serve the campuswide community while taking into account the variety of events held by its members, such as fundraising and public relations activities. This policy is intended to provide clear, consistent and constructive guidelines for the application of standards and expectations for the use, service, sale and consumption of alcoholic beverages.
The Alcohol Policy governs the use of alcoholic beverages, defined as beer, wine and distilled spirits and products, at University events on and off campus, and on premises under the administration of the University and/or its auxiliary organizations. In every instance where alcohol is permitted, the individuals and organizations involved are responsible for compliance with this policy and other relevant University regulations, such as the proper use of University funds as well as applicable local, state and federal laws.

This policy applies to all Cal Poly faculty, staff, students and alumni as well as campus volunteers, vendors, visitors and guests. Those acting as University hosts for events that include alcohol shall utilize prudent judgment in the planning, management, direction and control of the event. Members and guests of the campuswide community are expected to take individual responsibility for their behavior and for the consequences of alcohol consumption at such events.

A fundamental objective of this policy is for University hosts to engage the community in University events that consider the health and wellbeing of the participants while mitigating risks and reduce and/or transfer liability by regulating alcohol use under carefully prescribed circumstances at University events.

University administration and/or appropriate legal authorities will address any violation of this policy by faculty, staff, students, alumni, volunteers, vendors, visitors or guests.

**Alcohol Use by Students on Campus**

In an effort to maintain a high level of student success and public health, and in accordance with state law, all students are prohibited from possession and/or consumption of alcohol on campus outside of authorized areas. Any student under the age of twenty-one is strictly prohibited from possession and/or consumption of alcohol on campus or at off-campus University-hosted events. Students’ events are not allowed to serve or sell alcohol on campus; thus, University events, meetings and activities that are student club and/or student managed are not considered University events under this definition, unless they are under the direction and control of a University host and have an approved permit.

**Alcohol Use and On-Campus Residential Life**

Faculty, staff, administrators, students and others live on campus. Those residents that are legally able to purchase and/or consume alcohol and choose to do so may only do so in accordance with state law and campus policy.

**Alcohol Use in Residence Halls**

Alcohol possession and use is strictly prohibited in the license agreement for the residence halls on campus, which is managed by University Housing, even if a person is legally able to purchase, possess and consume alcohol products.

**Alcohol Use in On-Campus Apartments**

Alcohol possession and use is strictly controlled in the license agreement for on-campus apartment-style living, even if a person is legally able to purchase, possess and consume alcohol products. Alcohol possession, consumption and service for apartment-style living on campus are further regulated by University Housing rules and regulations as well as state law.

**Alcohol Use and the Agricultural Housing Program**

Academic use includes but is not limited to instructional programs and courses; manufacturing and processing related activities; and research and study as it relates to the business, production and sensory aspects of the alcoholic beverage industry.

**College of Agriculture, Food & Environmental Sciences (CAFES) – Wine and Viticulture Major**

CAFES is authorized to allow the use of alcohol in courses under the approved Wine and Viticulture major in accordance with state law.

**Service of Alcohol**

When the University authorizes that alcoholic beverages may be included at a public or private event, the responsible University host must follow state law, obtain a properly authorized campus permit and follow proper campus procedures and serving requirements. These events are required also to serve non-alcoholic beverages and provide substantive appetizers or a meal as part of the event.

Temporary permits to serve alcoholic beverages are reviewed and approved by Strategic Business Services.

University Housing expects residents over 21 to drink responsibly and follow all local, California State, and federal laws. If alcohol is being consumed, all residents assigned to live in the apartment must be 21 or older and mutually agree to permit alcohol within the apartment. **Smoke and Tobacco Free Environment**

Per Executive Order 1108, Cal Poly is a smoke and tobacco-free campus. Smoking and tobacco are not allowed on campus in any form including vaping, chewing, etc. Possession, use, and/or consumption of tobacco is prohibited.

**ATHLETICS DRUG TESTING POLICY**

Cal Poly is committed to the health, safety and welfare of all campus community members including student-athletes who participate in and represent the University in intercollegiate athletics. The inappropriate use of alcohol, tobacco, and illegal and/or performance enhancing drugs is inconsistent with this commitment, the mission of the University, and the purpose of intercollegiate athletics, and creates a danger to the health and safety of student-athletes and their teammates. Moreover, Cal Poly student-athletes are prohibited from using illegal substances, as well as those banned by the National Collegiate Athletic Association (NCAA), whether or not such substances are used to give them a competitive edge or enhance performance. College student-athletes are generally viewed as role models in the local and national community, and membership on a Cal Poly intercollegiate athletics team is a privilege. Substance use and abuse in sports can pose risks to the student-athlete’s health and negatively impact academic and athletic performance. It can also compromise the integrity of athletic competition, the Cal Poly athletics program, and the ideals and reputation of the university.
Any student-athlete behavior that is not consistent with this policy will be addressed through an educational process that is designed to promote health and safety, good citizenship, and, when necessary, impose appropriate consequences.

NCAA Bylaw 14.1.4.2 requires the University to educate student-athletes about NCAA banned substances and the products that may contain them. Moreover, use, possession, manufacture, or distribution of illegal drugs or drug-related paraphernalia (except as expressly permitted by law and University regulations), or the misuse of legal pharmaceutical drugs is prohibited by the University and is a violation of the California State University Standards for Student Conduct. (Title 5, Article 2, Section 41301(b)(9) of the California Code of Regulations). Violation of the University’s Standards for Student Conduct regarding drug and alcohol use may lead to University discipline, up to and including academic suspension or expulsion, separate and apart from the education, treatment, and consequences set forth in this policy.

This policy has been adopted by Cal Poly and is administered by the Department of Intercollegiate Athletics and is separate and distinct from the University’s Standards for Student Conduct, and the NCAA’s Drug Testing Program. Every student-athlete shall sign a notification and consent form acknowledging their agreement with and consent to the requirements of this policy. The intent of this policy is to preserve the health, safety and welfare of each student-athlete, and prevent and deter the use and abuse of prohibited substances through education, testing, professional guidance, and sanctions, when applicable.

HEALTH RISKS

Substance use is linked to serious negative physical health effects including chronic diseases, increased risk of injury, and in some cases overdose. When taken in large quantities, alcohol can negatively affect many parts of the body including the brain, heart, liver, pancreas, and immune system. It can also increase risk of developing certain cancers including mouth, esophagus, throat, liver and breast cancer. Mixing alcohol and prescription or illicit drugs can also have serious negative effects including the increased risk of heart attack. Drug and alcohol use also increase risks of depression, anxiety, and suicidal behaviors including significant risk-taking behaviors. Campus Health & Wellbeing (CHW) maintains a free and anonymous self-assessment tool called ScreenU. All students may access and take the assessment at any time to support early identification and treatment of problematic or high-risk use.

TREATMENT PROGRAMS

The University recognizes that alcohol and drug dependencies are treatable conditions. Employees and students who suffer from a substance abuse problem are encouraged to get help immediately. Employees may receive assistance from the Employee Assistance Program (EAP) free of charge by calling (800) 367-7474 and health insurance plans often defray part of the cost of rehabilitation programs. Employees may also be required to participate in drug-free awareness programs or training. Students who feel they need assistance are encouraged to see a counselor in Counseling Services (805) 756-2511, schedule a BASICS/CASICS appointment (Brief Alcohol/Cannabis Screening Intervention for College Students) with a Health Educator (805) 756-6181 or schedule an appointment with a Peer Health Educator (805) 756-6181, all located in Campus Health & Wellbeing, Building 27. More information can be found at https://chw.calpoly.edu/.
CAMPUS RESOURCES

Among its many services, Campus Health & Wellbeing serves as a clearinghouse for information and referral resources regarding AOD services, both on campus and in the community. Professional Health Educators can support students, faculty, and staff in navigating information, resources and support groups dealing with AOD topics. A wide range of written material is available as well as one-on-one consultations with Health Educators and Peer Health Educators.

Campus Health & Wellbeing provides counseling and psychological services through the forms of individual therapy and group therapy. SUAAC consists of a multidisciplinary team that meets monthly to strategize a collaborative approach to ensuring the safety of students including: focused, collaborative interventions and national, state, and county trends and threats as they relate to the student population.

**SEXUAL VIOLENCE PREVENTION**

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.
Campus programs must include primary prevention and awareness training: (1) for all new Students\textsuperscript{2}; and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all student-athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group’s members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

**TRAINING FOR EMPLOYEES**

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Code § 12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

**PREVENTION AND AWARENESS PROGRAMMING**

California State University campuses provide primary prevention programs to all incoming students and new employees. California State University campuses provide ongoing prevention programs to all students and employees during their time at the institution. To comply with CSU Policy and 34 C.F.R. §668.46., campus-specific programs to prevent dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include:

  o Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.

- That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.
- That all students and employees who report being a victim/survivor of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking must receive written notification of available assistance in, and how to request changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim/survivor chooses to report the incident to campus police or local law enforcement.
- Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:
  - The importance of preserving evidence following an incident of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking, which may also be used to obtain a temporary restraining or other protective order.
  - The name and contact information of the campus Employee(s) to whom the alleged incident should be reported.
  - Reporting to law enforcement and campus authorities, including the option to: (a) notify law enforcement authorities, including on-campus and local police; (b) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and, (c) decline to notify such authorities.
  - Where applicable, the rights of victims/survivors and the campus’ responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

RISK REDUCTION

The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

SEXUAL MISCONDUCT/SEXUAL ASSAULT

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
  - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
• Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
• Affirmative Consent can be withdrawn or revoked at any time.
• Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
• Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
• Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.
• Do not engage in sexual activity with someone who is incapacitated.
  • A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
  • A person who is unconscious or asleep cannot give Affirmative Consent.
  • A person’s own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.
• Signs that someone does not respect the importance of consent:
  • They pressure or guilt you into doing things you may not want to do.
  • They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you.
  • They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately

**DATING/DOMESTIC VIOLENCE**

Common signs of abusive behavior in a relationship
According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.

• Showing extreme jealousy of friends or time spent away from a partner.
• Preventing or discouraging one’s partner from spending time with friends, family members, or peers.
• Insulting, demeaning, or shaming a partner, especially in front of other people.
• Preventing one’s partner from making their own decisions about working or attending school.
• Controlling finances in the household without discussion, including taking a partner’s money or refusing to provide money for necessary expenses.
• Pressuring one’s partner to have sex or perform sexual acts they are not comfortable with.
• Pressuring a partner to use drugs or alcohol.
• Threatening to harm or take away a partner’s children or pets.
• Intimidating one’s partner with weapons
• Destroying a partner’s belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1-800-799-SAFE (7233), which is free and confidential.
Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:

- Seems nervous around you,
- Seems afraid of you,
- Flinches, cringes, or retreats when you are emotional,
- Seems scared, or unable to contradict you or speak up around you, and/or
- Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it’s vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1-800-799SAFE (7233), which is free and confidential.

STALKING

Respecting boundaries
If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing stalking behaviors
A person who engages in stalking may:

- Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
- Follow the person and seem to “show up” wherever they are.
- Send unwanted gifts.
- Damage home, car, or other property.
- Monitor phone calls or computer use.
- Drive or linger near the home, school, or work of the person they are stalking.
- Use other people to try and communicate with the person they are stalking, like children, family, or friends.

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking.

- Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911
• Keep a record or log of each contact with the stalker
• Save evidence when possible, such as emails, text messages, postings on social media, etc.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

• Notice the Event
• Interpret the Event as a Problem
• Assume Personal Responsibility
• Learn How to Help
• And Step Up by utilizing the “4 Ds” – Direct, Distract, Delegate, and Delay
  o Direct – Directly addressing the situation.
  o Distract – Making a simple (or elaborate) distraction to diffuse the situation.
  o Delegate – Finding someone else to address the concern.
  o Delay – Checking in with the person after to see if you can do anything to support them.

CSU Policy Definitions

Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University’s administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

PROCEDURES TO FOLLOW IN CASES OF SEXUAL MISCONDUCT/SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, OR STALKING

Preservation of Evidence

It is important that you take steps to preserve and collect evidence; doing so preserves the full range of options available to you, be it through the University’s administrative complaint procedures or criminal prosecution. To preserve evidence: (1) do not wash your face or hands; (2) do not shower or bathe; (3) do not brush your teeth; (4) do not change clothes or straighten up the area where the assault took place; (5) do not dispose of clothes or other items that were present during the assault, or use the restroom; and, (6) seek a medical exam immediately.
If you already cleaned up from the assault, you can still report the crime, as well as seek medical or counseling treatment. You should preserve text messages, social media postings, or notes that demonstrate the course of conduct. Contemporaneous photos of bruises or other injuries are helpful. You may consult with the campus Title IX Coordinator or Sexual Assault Victim’s Advocate for assistance as well.

REPORTING OPTIONS

The University’s primary concern is your safety and the safety of the campus community. The use of alcohol or drugs never makes the victim at fault for sexual misconduct/sexual assault. If you have experienced sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking you should not be deterred from reporting the incident out of a concern that you might be disciplined for related violations of drug, alcohol, or other University policies. A person who participates in investigations or proceedings involving sexual misconduct/sexual assault will not be subject to discipline for related violations of the Student Conduct Code or other University policies at or near the time of the incident unless the University determines the conduct places the health and safety of another person at risk or is otherwise egregious. You have several reporting options, and you may pursue one or more of these options at any time. It is your right to have a friend, family member, Sexual Assault Victim’s Advocate, or other representative present with you while reporting the incident. You also have the right to have a sexual assault counselor, Sexual Assault Victim’s Advocate and/or support person of your choice present with you during a rape examination. You are strongly encouraged to report any incidents to the police and/or campus Title IX Coordinator so that steps may be taken to protect you and the rest of the campus community. However, non-reporting is also an option.

Reporting to university police and/or local police is an option at any time. If you choose not to report to the police immediately following an incident, you can still make the report at a later time. However, with the passage of time, the ability to gather evidence to assist with criminal prosecution may be limited. Depending on the circumstances, the police may be able to obtain a criminal restraining order on your behalf. The campus Title IX Coordinator or Sexual Assault Victim’s Advocate can assist you in notifying the police if you choose.

The campus is required by law to disclose reports of some crimes (including dating violence, domestic violence, sexual assault/sexual misconduct and stalking) including through the daily crime log, the Annual Security Report, and Timely Warning Notices as explained in greater detail below. However, while the University will include reportable incidents in these disclosures, the victim’s name/identity will not be included in publicly-available records or reports.

PROTECTIVE ORDERS

You may also choose to obtain a protective or restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can protect victims who have experienced or are reasonably in fear of physical violence, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking. University police and your campus Title IX Coordinator can offer assistance with obtaining a protective or restraining order.

San Luis Obispo County has a document preparation program available to complete the necessary forms to request a protective order. More information can be found here: https://www.slo.courts.ca.gov/self-help/civil-harassment-restraining-order and here: https://www.slo.courts.ca.gov/self-help/family-law/domestic-violence.
SUPPORTIVE MEASURES

Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other Party, including to protect the safety of all Parties or the educational or work environment. Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator/DHR Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

WRITTEN NOTIFICATION

Along with the information provided in the outreach communication, the Title IX Coordinator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence or Stalking, with the information in Attachment D to the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating And Domestic Violence, And Stalking.

This written notifications states that the Campus and Title IX Coordinator will provide supportive measures, if they are reasonably available, regardless of whether [the victim] chooses to report sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking to Campus or local police; and also, that they will:

- Assist [the victim] in accessing other available victim advocacy, academic support, counseling, disability, medical/health or mental health services, and legal assistance both on and off campus;
- Make connections to individuals on campus who can provide support and solutions with respect to a variety of logistics, including transportation assistance, visa/immigration assistance, and financial aid assistance;
- Provide other security and support, which could include issuing a mutual no-contact order, helping arrange a change of campus-based living or working arrangements or course schedules or adjustments for assignments, tests, or work duties; and
- Inform you of your right to report a crime to university or local police – and provide you with assistance if you wish to make such a report.

Attachment D also informs victims that disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will:

- Provide a prompt, fair, and impartial process and resolution;
- Be conducted by officials who receive annual training on sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking, including how to conduct a process that protects the safety of members of the campus community and promotes accountability;
- Provide the Complainant and the Respondent the same opportunity to be accompanied to any related meeting or proceeding by an Advisor of their choice;
- Simultaneously inform the Complainant and the Respondent in writing of:
  - The disciplinary outcome;
  - The procedures available to appeal the results of the disciplinary outcome;
  - Any change to the disciplinary results that occurs prior to the time such results become final; and
  - When disciplinary results become final.

This same information is provided in writing to all students and employees within the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation, and as part of annually assigned training.

**DISCIPLINARY PROCEDURES IN CASES OF SEXUAL MISCONDUCT/SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, OR STALKING**

The following statements are excerpts from the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“the Policy”). As required by law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decisionmakers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and associated Retaliation.

Disciplinary complaints can be filed by contacting Cal Poly’s Title IX Coordinator:

Maren Hufton, Assistant Vice President
Civil Rights & Compliance Office
Fisher Science Building - Bld. 33, Room 290
1 Grand Avenue, San Luis Obispo, CA 93407
E-mail: crco@calpoly.edu

Website: https://crco.calpoly.edu/report-to-crco
Office Hours: Monday – Friday (except holidays) 8:00am – 5:00pm
Complaints against a Chancellor’s Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator") will be made to the Chancellor’s Office at eo-wbappeals@calstate.edu. 

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include information regarding potential Supportive Measures, where applicable. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated). Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts of Interest.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator’s duty to weigh any victim’s request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney or union representative may serve as a Party’s chosen Advisor. The unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

**APPLICABLE PROCEDURES**

The campus will investigate or otherwise respond to reports of alleged misconduct committed by a student in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, and Retaliation. The current process shall be supplemented as necessary to address complaints involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking.

---

3 Complaints against a President should be made to the Chancellor’s Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.
Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against a Student ("Student Respondent Procedures") if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student's or Employee's ability to participate in a program, activity, or employment; AND
- The alleged misconduct was committed by a person who at the time of the alleged misconduct was a student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by an Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party ("Employee or Third-Party Respondent Procedures") if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student's or Employee's ability to participate in a program, activity, or employment; AND
- The alleged misconduct was committed against a person who at the time of the alleged misconduct was a student, or the alleged misconduct was committed by or against an Employee.

Depending on the circumstances, the campus response may or may not include a formal investigation. When a Complainant requests that no investigation occur, the Title IX Coordinator will balance the request against the campus' duty to provide a safe and nondiscriminatory environment for all members of the campus community.

**THE TRACK SYSTEM**

There are three possible sets of procedures ("tracks") for formal resolution of Complaints against a Student (Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of procedures ("Tracks") for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to Complaints against Employees or Third-Parties, as it applies only to certain Complaints against Students. Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator").

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- **Track 1** applies when the alleged conduct:
  - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and

---

4 A Complaint against a Student-Employee where the alleged conduct arose out of the Respondent's status as an Employee and not their status as a student, should be made using the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party.
Occurred in the United States; and
Occurred in an education program or activity at the university, as defined in Track 1

- Track 2 applies when:
  - The Complaint is against a student; and
  - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
  - The credibility of one (or both) of the Complainant and the Respondent ("the Parties"), or any witness is central to the determination as to whether the student violated the policy; and
  - The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.

- Track 3 applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

STANDARD OF EVIDENCE

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures.

Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than, the evidence on the other side.

DISMISSAL/REFERRAL

When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies.

At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it,
Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal.

Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal.

Appeals against a dismissal under Track 1 will be filed with the Chancellor’s Office (CO) and will be addressed to:

   Systemwide Title IX Unit
   Systemwide Human Resources
   Office of the Chancellor
   TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor’s Office and will be addressed to:

   Equal Opportunity and Whistleblower Compliance Unit
   Systemwide Human Resources
   Office of the Chancellor
   401 Golden Shore
   Long Beach, California 90802
   eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO’s receipt of the appeal, the Parties will simultaneously receive (via email) a written decision with explanation.

INFORMAL RESOLUTION

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process. The Informal Resolution process is

---

5 Formal complaints under track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee.

6 Track 1, a Formal Complaint must be filed before the informal resolution process may take place and that under Track 1, informal resolution cannot be used to resolve allegations that an employee sexually harassed a student.
entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and ongoing assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs.

Prior to engaging in an informal resolution process, the campus will obtain the Parties' voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process.

Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with an applicable collective bargaining agreement.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

INVESTIGATION AND HEARING FOR TRACK 1

SUPPORTIVE MEASURES

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant’s options, explain the process, and provide information about Supportive Measures. During the discussion, the Title IX Coordinator will consider the Complainant’s wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint7, and explain the process for filing a Formal Complaint.

7 Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant’s physical or digital signature15 or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.
NOTICE OF ALLEGATIONS

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued Simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent’s expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The notice of allegations must be provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they are aware that they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

INVESTIGATION OF A FORMAL COMPLAINT

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1.

The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant’s or Respondent’s collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim’s Advocate.

Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

REVIEW OF EVIDENCE

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).
Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party's request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.

The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

**FINAL INVESTIGATION REPORT**

After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report.

**TIMEFRAME**

Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.
**TRACK 1 HEARING**

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness’ testimony and the disputed issue to which the witness’ testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

**DETERMINATION REGARDING RESPONSIBILITY UNDER TRACK 1**

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment\(^8\). The hearing coordinator will

\(^8\) See definition of Sexual Harassment in the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation
Simultaneously send the hearing officer’s report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer’s report (redacted as appropriate or as otherwise required by law) and notice of the Complainant’s and Respondent’s right to appeal to the Chancellor’s Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer’s report to the president (or designee). The hearing officer’s report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent (“final hearing officer’s report”). The final hearing officer’s report will attach the final investigation report.

In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer’s report and issue a decision (“decision letter”) concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer’s report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts. The decision letter will include:

- The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
- Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor’s Office.
- If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus’ education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
- A copy of the final hearing officer’s report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

Communication with Parties who are neither Students nor Employees will be sent to an email address that they designate.
INVESTIGATION AND HEARING (IF APPLICABLE) FOR TRACKS 2 AND 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent’s rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

In matters where a hearing is not required (Track 3 cases), a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, analysis of the evidence including relevant credibility evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written report. The final investigation report will be attached to a notice of investigation outcome. The notice may be delivered to the Parties electronically. If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR Administrator will notify the campus student conduct administrator (where the Respondent is a student)/appropriate campus administrator (where the Respondent is an employee) of the investigation outcome and provide a copy of the final investigation report.

The Title IX Coordinator/DHR Administrator or designee will send the Final Investigation Report to the Parties within 100 Working Days from the date that the Notice of Investigation is provided to the Parties. Extensions may be granted for good cause as determined by the Title IX Coordinator/DHR Administrator. The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

---

10 Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.
**TRACK 2 HEARING PROCESS:**

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track 2 hearing process that commences after the issuance of the final Investigative report.

**PRIOR TO A HEARING:**

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness' testimony. The hearing officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15 Working Days before the hearing. The hearing officer makes consolidation decisions.

Parties must provide the name of, and contact information for, the Party's Advisor and Support Person (if any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.

**AT THE HEARING:**

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant's sexual history with anyone other than the Respondent (unless such evidence about the Complainant's sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent's sexual history with anyone other than the Complainant, unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer's possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness’ privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

**AFTER THE HEARING:**

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer’s report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer’s report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be submitted no later than 5 Working Days after the hearing officer’s report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer’s report is sent to the Parties.

Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer’s report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures¹¹) if a Respondent has been determined to have violated university Policy.

Within 10 Working Days of receipt of the hearing officer’s report, the president (or designee) will review the Investigation Report and the hearing officer’s report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president’s (or designee’s) sanction decision becomes final 11 Working Days after the date of the decision letter.

¹¹ See Sanctions, below
SANCTIONS

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees disciplined by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code:12

- **Restitution.** Compensation for loss, damages or injury. This may include appropriate service and/or monetary material replacement.
- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.8
- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.
- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus, or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.

Conditions may include the potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability of more severe disciplinary sanctions if the student is found to violate the Student Conduct Code or any University policy during the probationary period.
- **Suspension.** Temporary separation of the student from active Student status or Student status.
  - A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
  - A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application polices) once the suspension has been served. Conditions for readmission may be specified.
  - Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student’s transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.
- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student’s transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

APPEALS

A written appeal may be submitted to the Chancellor's Office no later than 10 Working Days after the date of the decision letter (Track 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor's Office. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit
Systemwide Human Resources
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
eo-wbappeals@calstate.edu

The Chancellor's Office will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Chancellor's Office will be provided to the appealing Party for informational purposes only.

The Chancellor's Office will not conduct a new investigation; however, the Chancellor's Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. On appeal, the Chancellor's Office does not reweigh the evidence, re-decide conflicts in the evidence, or revisit determinations made by the Investigator or hearing officer about the credibility or reliability of witnesses and the Parties. The Chancellor's Office appeal response will include a summary of the issues raised on appeal, a summary of the evidence considered, the Preponderance of the Evidence standard, and the determination(s) reached regarding the issue(s) identified within the written appeal. A copy of the final Chancellor's Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor's Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor's Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor's Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor's Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor's Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor's Office may vacate and
reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor’s Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor’s Office, the Chancellor’s Office decision is final and is not subject to further appeal. In the event that the final outcome has been reversed by the Chancellor’s Office and a sanction will be imposed by the campus, both Parties have a right to appeal the sanction only. If a sanction is found to be objectively unreasonable, or arbitrary based on substantiated conduct, the matter will be sent back to the campus for reconsideration of the sanction.

The Chancellor's Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended.  

REGISTERED SEX OFFENDERS

California’s sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan’s law website at [http://www.meganslaw.ca.gov/](http://www.meganslaw.ca.gov/)

MISSING STUDENT NOTIFICATION PROCEDURES FOR ON-CAMPUS STUDENT HOUSING FACILITIES

Campus Administrative Policy (CAP) 351.5.1 requires that any incident involving missing or potentially missing persons be reported directly to Cal Poly Police without delay. There is no requirement that a person be missing for 24 hours before a report is made. The University requires all on-campus housing missing student reports to be immediately referred to Cal Poly Police. The local law enforcement agency will also be notified within 24 hours of the official determination that they are missing. The report may be initiated by calling the Cal Poly Police Dispatcher at (805) 756-2281, or by dialing 9-1-1. Every student has the option to register a confidential contact person (separate from an emergency contact number) to be notified not later than 24 hours after the student is determined to be missing. Students may register a confidential contact person by logging into the Student Center and navigating to the “Missing Person Contact” link under “Personal Information” within their portal; [my.calpoly.edu](http://my.calpoly.edu). Missing person contact information is retained and confidential, accessible only to the authorized University officials who retain the information, and may not be disclosed except to law enforcement personnel in furtherance of an official missing person investigation.

Even if a confidential contact person has not been named, Cal Poly Police shall be notified if a student is missing. A parent or guardian will be notified not later than 24 hours after the student is determined to be missing if the

13 The Chancellor’s Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor’s Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor’s Office to respond to the appeal. The Chancellor’s Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.
missing student is less than 18 years of age and is not emancipated in addition to any confidential contact person named by the student. If a person has been missing for 24 hours, Cal Poly Police shall notify the registered confidential contact person.

Cal Poly Police will investigate reports of missing persons as set forth in California Penal Code and other applicable regulations and protocols. Depending on the circumstances an investigation may involve, but not be limited to: timely notification to local law enforcement agencies, entry of the missing person and his/her vehicle into a state or nation-wide law enforcement missing person database, and involvement of other law enforcement agencies outside the local area.

APPENDIX A: JURISDICTIONAL DEFINITIONS

Rape (CA Penal Code Chapter 1 Section 261)

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim’s will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, “public official” means a person employed by a governmental agency who...
has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) For purposes of this section, the following definitions apply:

“Duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

(c) Menace” means any threat, declaration, or act that shows an intention to inflict an injury upon another.

Sodomy (CA Penal Code Chapter 1 Section 286)

Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

(b) (1) Except as provided in Section 288, any person who participates in an act of sodomy with another person who is under 18 years of age shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(2) Except as provided in Section 288, any person over 21 years of age who participates in an act of sodomy with another person who is under 16 years of age shall be guilty of a felony.

(c) (1) Any person who participates in an act of sodomy with another person who is under 14 years of age and more than 10 years younger than he or she shall be punished by imprisonment in the state prison for three, six, or eight years.

(2) (A) Any person who commits an act of sodomy when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for three, six, or eight years.

(B) Any person who commits an act of sodomy with another person who is under 14 years of age when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 9, 11, or 13 years.

(C) Any person who commits an act of sodomy with another person who is a minor 14 years of age or older when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 7, 9, or 11 years.
