RECYCLING PROGRAM

A smaller ecological footprint is to everyone's advantage—and you can count on Konica Minolta and Ultrex to lead the way in making consumable recycling simple and cost-free.

Whether you have a single Konica Minolta desktop printer, a whole fleet of bizhub® MFPs, or professional bizhub PRESS and bizhub PRO production printers, it's never been easier to recycle your consumables—toner cartridges, imaging units, waste toner bottles, developer units and drums. The recycling process is simple.

## RECYCLING PROGRAM

### A BETTER WAY TO HANDLE YOUR CONSUMABLES.

#### HOW OUR PROGRAM PROTECTS THE ENVIRONMENT.

**No consumables in landfills.** Ultrex and Konica Minolta have partnered with Close the Loop, Inc., a leading global recycler of imaging consumables to process returned consumables in an environmentally safe and responsible manner. All cartridges are recycled with zero waste to landfill and zero incineration.

**Creating new and useful materials.** Using state-of-the-art material separation processes, all consumables are processed, extracted and recovered for reuse. Recovered component materials are re-engineered so they can again be manufactured into useful products such as asphalt and plastic modifiers.

#### HOW RECYCLING CAN SAVE YOU TIME AND MONEY.

**No cost to our customers.** Unlike some recycling plans, Ultrex's Clean Planet Recycling Program doesn't require you to pay shipping or recycling costs.

**All printer consumables can be recycled.** We now accept toner cartridges, imaging units, waste toner bottles, developer units and drums—all the consumables from every Konica Minolta model, and any other manufacturer. No matter what volume of consumables you use, this recycling program fits your needs.

**A total commitment to the environment.** For years, Konica Minolta has led the industry in policies and technologies designed to protect our planet—saving energy, minimizing pollution and reducing environmental impact through the entire lifecycle of our products.

#### STEP 1:

Email [cpservice@ultrex.net](mailto:cpservice@ultrex.net) to opt-in to the Program and Choose to:

- Have a recycling box onsite in your department (Space Required: 13.5" x 13.5" x 31" tall),
- Share a box with another department, or
- Sponsor a box for others to utilize.

#### STEP 2:

Place used toner bottles, toner cartridges, waste toner boxes, image units, drums, and developer units directly into the Clean Planet box. Please **no packaging or boxes**.

All brands can be recycled along with your Konica Minolta consumables.

#### STEP 3:

When the box is full, email [cpservice@ultrex.net](mailto:cpservice@ultrex.net) to request a pick-up and a new box. At no cost to you or the university, Ultrex will pick-up the box and leave you a new one.
