

Learning Hub Course Name	Learning Hub Curriculum Code	Regulatory requirement
EHS Accident Investigation and reporting	CALPOLY-CURRIC-EHS-ACCIDENT-INVESTIGATION	Faculty,Staff and Student Workers who supervisors others and are responsible for completing the EHS first report of injury. Supervisor is expected to follow up on minor injury ,near miss or accident reports to identify cause and detrmine if any corrective actions should be put in place to prevent reoccurrence. This is part of the IIPP. Major accidents are investigated by EHS staff. Major accidents are considered fatalitites, Injuries that require hospitilization, or result in the loss of a body part. Major injuries require immediate notification to EHS as Cal/OSHA is required to be notified and will respond.
EHS Aerial Work platform	CALPOLY-CGRP-EHS-AERIAL-WORK-PLATFORM	employees who operate articulating boom aerial lifts, vehicle-mounted aerial lifts,
EHS Asbestos Awareness	CALPOLY-CGRP-EHS-ASBESTOS-AWARENESS	faculty,staff and student workers who work near asbestos
EHS Building Inspector- initial	CALPOLY-CGRP-EHS-ASBESTOS-BUILDING-INSPECT-INITIAL	faculty,staff and student workers who need to collect a sample of a building material that may contain asbestos
EHS Building Inspector- refresher	CALPOLY-CGRP-EHS-ASBESTOS-BUILDING-INSPECTOR-REFRE	
EHS Asbestos Management Planner-initial	CALPOLY-CGRP-EHS-ASBESTOS-MANAGEMENT-PLANNER- INIT	faculty,staff or student workers who wish to interpret the analytical results from a building material sample to develop a work plan
EHS Asbestos Management Planner-refresher	CALPOLY-CGRP-EHS-ASBESTOS-MANAGEMENT-PLANNER-REFRE	
EHS Asbestos Supervisor-refresher	CALPOLY-CGRP-EHS-ASBESTOS-SUPERVISOR-REFRESHER	Faculty,staff or student workers who disturb presumed asbestos containing or asbestos containing building materials
EHS Asbestos Supervisor-initial	CALPOLY-CGRP-EHS-ASBESTOS-SUPERVISOR-INITIAL	
EHS Man Material Handling- Custodial	CALPOLY-CGRP-EHS-MAN-MATERIAL-HANDLING-CUSTODIAL	
EHS Man Material Handling- Landscape	CALPOLY-CGRP-EHS-MAN-MATERIAL-HANDLING-LANDSCAPE	
EHS Material Handling- Hazardous Material Handling and Storage	CALPOLY-CURRIC-EHS-MATERIAL-HANDLING	
EHS Bloodborne Pathogens	CALPOLY-CGRP-EHS-BLOODBORNE-PATHOGEN	Workers who may be asked to clean up infectious material blood or body fluid. OSHA does not consider generally that contact with diluted raw sewage (e.g. not originating directly from a health care facility or other source of bulk blood or OPIM) to be related to bloodborne pathogens.
Certified Pool Operator		employeeyes who service, reapiir or maintain or troubleshoot low volage equipment
EHS Confined Space Awareness	CALPOLY-CGRP-EHS-CONFINED-SPACES-AWARENESS	Employees who enter or work in close proximity to confined spaces or permit required confined spaces
DGS Defensive Driving(see risk managment website)		Volunteers and consultants with no Cal Poly email who drive on state buisness.
Defensive Driving (see risk managment website)	SKLFST_ehs_hsf_c70_sh_enus	faculty,staff and student workers, consultants, volunteers with cal poly email addresses who drive on state buisness
EHS Electrical Safety Awareness	CALPOLY-CURRIC-EHS-ELECTRICAL-SAFETY-AWARENESS-2020	Awarness level course for faculty,staff and student workers who work in shop or construction areas but do not work on or near electricity . Project managers and students and faculty. Purpose is to allow people to undertand how to avoid electricity and assist safely in an emergenc,hrecognize electrical hazards and prevent electrical fires. These people can plug in surge protectors, change ligh bulbs, plug in extension cords
EHS Electrical Safety: Qualified Worker	CALPOLY-ASGN-EHS-ELECTRICAL-SAFETY-QUALIFIED-WORKE	Faculty,staff and student workers who work with or near electricity. This includes installation, inspection,operation,maintenance and demolition of electric equipment,signaling,and communication conductors and equipment and raceways. This would include anyone who services, repairs,maintains or troubleshoots equipment under the Control of Hazrdous Energy Standard.
Electrical Safety: High Voltage		Staff(electricans) who work on energized substations, transmission and distribution systems
EHS Emergeny and Diaster Preparedness	CALPOLY-ASGN-EMERGENCY-AND-DISASTER-PREP	Faculty,staff and student workers who work on campus
EHS Fall Protection	CALPOLY-CGRP-EHS-FALL-PROTECTION	faculty,staff and student workers who don fall protection to prevent falls on roofs or on Aerial lifts but are not competent persons.
Fall Protection Competent Person (8hr)	CALPOLY-CGRP-EHS-FALL-PROTECTION-COMPETENT-PERSON	Person who inspects fall protection systems every 6 months for damage
EHS Fire Safety and Prevention 2.0	CALPOLY-CGRP-EHS-FIRE-SAFETY-AND-PREVENTION	faculty,staff and student workers who work on campus
CPR and First Aid	CALPOLY-CGRP-EHS-CPR	faculty,staff or student assistants who may provide voluntary cpr

EHS Forklift Operation	CALPOLY-CURRIC-EHS-FORKLIFT- OPERATION-AND-EVALUATION-2020EHS forklift	Faculty,staff or student workers who operate forklifts
EHS Hand & Power Tool Safety	CALPOLY-CGRP-EHS-EHS-HAND-SAFETY	faculty,staff and student workers who use hand and power tools
EHS Hazard Communication: An Employee's Right to Understand	CALPOLY-CGRP-EHS-HAZARD-COMMUNICATION-EMPLOYEE-RIG	Faculty,staff and students who work with chemicals, oils, gasoline, pesticides, cleaning products in a non-laboratory environment
EHS Heat Illness Prevention for Employees	CALPOLY-CGRP-EHS-HEAT-ILLNESS-PREVENTION-EMPL	Non-Superviory faculty,staff and student workers whos job duties are 100% outdoors such as landscapers and fieldworkers,ranch hands
EHS Heat Illness Prevention for Managers and Supervisors	CALPOLY-CGRP-EHS-HEAT-ILLNESS-PREVENTION-FOR-MANAG	Supervisors and managers of faculty,staff and student workers whos job duties are 100% outdoors such as landscapers and fieldworkers,ranch hands
rigging equipment and Inspection	Need clarification from fac ops on if they rig by crane or indoor hoist	Faculty,staff and student workers who secure large,heavy loads of material for transport using rigging equipment such as ropes,tie downs,netting, slings,chains and mechanical devices.
EHS Hot Work	CALPOLY-CURRIC-EHS-HOT-WORK-2020	faculty,staff and student assistants who perform hot work outside of a designated shop such as welding, grinding and cutting
Indoor Hoisting and Rigging	need clarification from fac ops on if they rig by crane or indoor hoist	Faculty,staff and student workers who operate jib, gantry, overhead or floor-operated cranes to move large,heavy loads of material
CSU Injury and Ill. Prev. Prog (IIPP)	CALPOLY-ASGN-IIPP	All faculty,staff and student workers
EHS Radiation Safety	CALPOLY-CURRIC-EHS-RADIATION-SAFETY-2020	faculty,staff and student workers who perform non-administrative work
CSU Lab Safety Fundamentals	CALPOLY-CGRP-EHS-LAB-SAFETY-CAL-OSHA	faculty, staff and student workers who work with chemicals in a laboratory
EHS Lead Awareness in Construction	CALPOLY-CGRP-EHS-LEAD-AWARENESS-CONSTRUCTION	Faculty,staff and student workers who work with lead or renovate or disturb lead containing materials
EHS Lockout / Tagout for Authorized Persons	CALPOLY-CGRP-EHS-LOCKOUT-TAGOUT	faculty,staff or student workers who service, reapiir,maintain or troubleshoot equipment. Required for anyone who is a Qualified electrical worker
EHS Machine Guarding	CALPOLY-CGRP-EHS-MACHINE-GUARDING	Faculty,staff and students who work near or with machinery
EHS Mold Awareness	CALPOLY-CURRIC-EHS-MOLD-AWARENESS	Faculty,staff and student workers who respond to water intrusion events in buildings
EHS Ergonomics for Office Workers	CALPOLY-CGRP-EHS-ERGONOMICS-FOR-OFFICE-WORKERS	works for greater than 4 hours a day at a computer
EHS Powered Cart Safety	CALPOLY-CGRP-EHS-POWERED-CART-SAFETY	faculty,staff or student workers who operate a powered cart(golf) on campus.
EHS Personal Protective Equipment	CALPOLY-CGRP-EHS-PERSONAL-PROTECTIVE-EQUIPMENT	faculty,staff and student workers who wear PPE
EHS Respiratory Protection	CALPOLY-CGRP-EHS-RESPIRATORY-PROTECTION	Faculty,staff and student workers who are required to wear respiratory equipment. This excludes the voluntary use of dust masks or N95
EHS Ladder Safety	CALPOLY-CGRP-EHS-LADDER-SAFETY	faculty,staff and student workers who use ladders
Scaffold Safety for Users	CALPOLY-CGRP-EHS-SCAFFOLDING-SAFETY-USER	faculty,staff and student workers who use scaffolds
Scaffold safety Qualified person	CALPOLY-CGRP-EHS-SCAFFOLDING-SAFETY-QUALIFIED-PERS	faculty,staff and student workers who inspect and certify scaffold for use by others
Slips Trips and Falls		All faculty,staff and student workers
Spill Prevention and Control	(CALPOLY-ASGN-SPC??) CALPOLY-CURRIC-SPILLPREVENTIONANDCONTROL-2020	
40 hour HazWOPER		
Environmental regulation overview		
Storm Water Pollution Prevention		
Traffic Safety		
Trenching and Excavation Safety: Competent Person		faculty,staff and student workers who inspect excavations and trenches
EHS Trenching and Excavation Safety	CALPOLY-CGRP-EHS-TRENCHING-AND-EXCAVATION-SAFETY	faculty,staff and student workers who enter excavations or trenches
EHS Hazardous Waste Generators	CALPOLY-CGRP-EHS-HAZARDOUS-WASTE-GENERATOR	Faculty,Staff and Student Workers who generate hazardous waste.
Used Oil Management		
Valley Fever	CALPOLY-ASGN-VF	
EHS Chemical Safety	CALPOLY-CURRIC-EHS-CHEMICAL-SAFETY	
Workplace Inspections in RSS(Risk and Safety Solutions)	Tailboard via EHS	faculty,staff and students who conduct workplace inspections in RSS
COVID-19 Disinfection process and Infectionus Disease control		
EHS COVID19 Information for the workplace	Calpoly-Curric-EHS-COVID	
EHS Fire Watch	TBD	taff and students who monitor a building with a impaired fire and life safety system looking for signs of fire o
EHS Fire Protection NFPA 51B Standard for Fire Prevention During Welding, Cutting and Other Hot Work.		Required by OSFM and EHS Hot Work Program
EHS Fire Protection NFPA 241 Standard for Safeguarding Construction,Alteration and Demolition Operations		NFPA 241 provides measures for preventing or minimizing fire damage to structures, including those in underground locations, during construction,alteration or demolition. OSFM requirments for Cal Poly
Pesticide Safety		

OSHA 30 Construction Safety		
OSHA 30 General Industry		
OSHA 10 Construction Safety		
OSHA 10 General Industry		
Cold Stress Custodial		
<b>Online / Instructor Lead / Tailgate</b>		
<b>Frequency "*" = One Time</b>
