To Interested Agencies:

Per your request to be kept informed regarding the Student Housing South project, the proposed Final Environmental Impact Report (FEIR) is now available for review at the following locations:

- Cal Poly Facilities Planning and Capital Projects office, Building 70;
- Cal Poly (Kennedy) Library and SLO City/County Library; and
- Online: http://afd.calpoly.edu/facilities/facp_index.asp

The FEIR is comprised of the Errata, detailing the text edits to the EIR; the Response to Comments on the 2013 Draft EIR (Chapter 9); the Response to Comments on the 2014 Recirculated Draft EIR (Chapter 10); and the 2014 Recirculated Draft EIR.

Anyone interested in the FEIR should contact Joel Neel, Director, Facilities Planning and Capital Projects, at (805) 756-2193 or jneel@calpoly.edu.

A public hearing before The Board of Trustees of the California State University has been scheduled for **May 20 and 21, 2014**, in the Board of Trustees Chambers, located at 401 Golden Shore, in Long Beach, California. Information regarding this meeting can be found at <http://www.calstate.edu/bot/agendas/>.
