

GENERAL NOTES:

- A. All street "paint" needs to be High Vis Thermo Plastic.
- B. Hi-Vis Crosswalks shall include 24" wide ladder markings equally spaced on and between vehicular travel lanes. Ladder markings shall be installed parallel to the direction of vehicular traffic. Where Hi-Vis Crosswalks are placed on streets that contain no traffic control striping, the ladder markings shall be equally spaced at 5' on center across the width of the traveled way.
- C. Where new installations are made, signs as required shall also be installed.

SCALE: N.T.S.
