Review/Approve Meeting Record

The committee members reviewed the 3/20/26 meeting record and, with no objections, the record was unanimously approved.

Review Proposals

Co-Chair Valadez mentioned that the process for this meeting will be to review proposals, answer questions and vote at our next meeting. David reviewed the Funding Requests Summary with the committee. He summarized that the ongoing requests total is \$787,610 and one-time requests total is \$1,392,410. He added that the difference between ongoing funding and the available funding is \$125,804 and that those funds are held (budgeted) for anticipated GSI funding.

Funding Availability

Committee member Linderman reviewed the Budget Summary with the committee. She noted that the unallocated base funding is \$913,414. In addition, she mentioned that the remaining one-time funding equals \$3,050,068 minus the contingency for economic uncertainty required by the CSU system of

\$1,589,250 for a total of \$1,460,818. Co-Chair Valadez explained that the projected funding available assumed that the full budget was spent (including the funding allocations made in the Fall). He added that the committee would meet in Fall 2026 to consider allocating one-time funding that is available at the end of the fiscal year.

Next Steps

Co-Chair Cabeliza mentioned that the committee will be meeting and voting on April 17th.

Adjournment

There being no further business, the meeting was adjourned at 3:49 p.m.

Respectfully submitted,

Marc Cabeliza, Co-Chair
