BENEFITS SUMMARY

Faculty (Unit 3)
THE BENEFITS OF WORKING AT THE CSU
This summary provides an overview of systemwide benefits generally available to Faculty (Unit 3) employees of the California State University (CSU).

GENERAL BENEFITS
The CSU is committed to offering benefit plans that provide employees with options to choose the right level of coverage to help manage individual wellness and retirement needs.

HEALTH CARE BENEFITS
Employees have medical, dental, and vision plans from which to choose coverage. They may cover themselves, their eligible spouse or registered domestic partner, and eligible dependent children. Employees may enroll within 60 days of employment, or within 60 days of experiencing a change in status event, and during any annual open enrollment period.

- **Medical Benefits** The CSU provides employees, and their eligible dependents, a choice of various medical insurance programs through the California Public Employees’ Retirement System (CalPERS). Monthly medical premiums are shared between the CSU and the employee. Coverage begins on the first day of the month after electing a health plan.*

  Note: The Tax Advantage Premium Plan (TAPP) provides for the payment of required medical plan premiums from pre-tax salary; therefore, any monthly employee-paid premium expenses are tax free.

- **Dental Benefits** The CSU provides employees, and their eligible dependents, with dental program options which include a fee for service plan or a prepaid plan where dentists are selected from an approved list. The CSU currently pays the full monthly cost of the program. Coverage begins on the first day of the month after electing a dental plan.*

- **Vision Benefits** The CSU provides employees, and their eligible dependents, with a vision care program. The CSU currently pays the full monthly cost of the program. Enrollment is automatic and begins on the first day of the month after date of hire.

FLEXIBLE BENEFIT PLANS
Flexible benefit plans help employees save money by allowing them to pay for certain eligible expenses with pre-tax dollars. The tax savings help offset the impact of these expenses on disposable income. Employees may enroll within 60 days of employment, or within 60 days of experiencing a change in status event, and during any annual open enrollment period.

- **FlexCash** If employees waive the CSU medical and/or dental coverage because they have other non-CSU group coverage, currently, they can receive $128 FlexCash per month if they waive medical coverage, and/or $12 FlexCash per month if they waive dental coverage. This payment is taxed as additional income.

- **Health Care Reimbursement Account (HCRA) Plan** With a Health Care Reimbursement Account, employees can set aside a portion of their pay, on a pre-tax basis, to reimburse themselves for eligible health care expenses. They may contribute, up to the specified maximum allowed by the IRS and the Plan, each plan year through payroll deduction. Neither contributions nor reimbursements are taxed. An optional FSA ASIFlex Visa Debit Card is available for a small annual fee, which allows an employee to use the card to pay for eligible expenses, eliminating out-of-pocket costs.

- **Dependent Care Reimbursement Account (DCRA) Plan** With a Dependent Care Reimbursement Account, employees can set aside a portion of their pay, on a pre-tax basis, to reimburse themselves for eligible dependent care expenses. They may contribute, up to the specified maximum allowed by the IRS and the Plan, each plan year through payroll deduction. Neither contributions nor reimbursements are taxed. (Please note: the maximum is reduced if married and filing a separate tax return.)

- **Pre-Tax Parking Deduction Plan** Employees may pay for parking, in CSU-qualified parking facilities, with pre-tax dollars. Premiums are automatically deducted from their paycheck, unless they choose to opt out of the plan. They may change their election to participate at any time.

* Employees may enroll within 60 days of employment or within 60 days of experiencing a change in status event, and during any annual open enrollment period.
PLANNING FOR YOUR RETIREMENT

The CSU provides employees with a number of retirement benefit plans as follows:

BASIC RETIREMENT PLANS

• CalPERS Retirement Plan CalPERS is a defined benefit plan, which provides a retirement benefit based on the employee’s applicable retirement formula, age at retirement, years of service credit, and compensation. Full-time employees (or part-time employees working at least halftime), are automatically enrolled in the CalPERS Retirement Plan. To be eligible, a full-time employee must be appointed for at least six months and a part-time employee must be appointed for at least one year. Employees are required to contribute a percentage of their gross monthly salary per month. There is a cap on annual salary that can be used to calculate retirement benefits. The contribution is not subject to federal and state taxes. For additional information about the CalPERS defined benefit plan go to: www.calpers.ca.gov.

• Part-Time, Seasonal, and Temporary (PST) Retirement Plan Employees who are not eligible for CalPERS retirement are required to participate in the PST Retirement Plan administered by CalHR in lieu of Social Security. Employees enrolled in this plan contribute 7.5% of their gross wages, on a pre-tax basis, to a retirement account that is available upon separation of employment.

VOLUNTARY RETIREMENT SAVINGS PLANS

• Pre-Tax Savings Plans Employees have three voluntary retirement savings plans available to them. This allows them to invest pre-tax and after tax dollars to supplement their CalPERS Retirement Plan benefit. They are:
  • The CSU 403(b) Tax Sheltered Annuity (TSA) Plan
  • Roth contribution option available in the CSU 403(b)

TSA monthly contributions for the CSU 403(b) plan are managed via self service at netbenefits.com/calstate.

• The State Savings Plus Plan
  • The State Savings Plus 401(k) Thrift Plan
  • The State Savings Plus 457 Deferred Compensation Plan

Monthly contributions for the Savings Plus Plans are managed via self-service at savingsplusnow.com.

The 401(k) Thrift Plan and 457 Deferred Compensation Plan are administered through the State.

Employees may participate in any or all of the plans. Each is governed by a different section of the IRS code resulting in different rules and provisions.

• CalPERS Supplemental Contribution Program Employees can also supplement their CalPERS retirement benefit with after-tax contributions through the CalPERS Supplemental Contribution Program. CalPERS invests the contributions in a well-diversified portfolio. All investment earnings from the contributions are tax-deferred.

INCOME PROTECTION BENEFITS

The following benefits provide employees with a source of income, should they become disabled and unable to perform normal duties at work. To be eligible for NDI and IDL coverage, the employee must be a CalPERS member.

• Non-Industrial Disability Insurance (NDI) NDI provides minimal coverage if an employee is unable to work due to a non-work related injury or illness. This CSU-paid program is effective at time of appointment and provides a weekly benefit for up to 26 weeks of disability.

• Industrial Disability Leave (IDL) IDL provides disability benefits if an employee is unable to work due to a work-related injury or illness. IDL is fully paid by the CSU and provides full pay for the first 22 days of disability and 2/3 pay for the next 11 months of disability.

• Workers’ Compensation If an employee suffers a work related injury or illness, Workers’ Compensation Temporary Disability payments may be selected in lieu of IDL payments.

• Long-Term Disability (LTD) Insurance LTD is an income protection program that provides benefits after 180 days of continuous disability. LTD is provided to supplement IDL, Social Security disability, retirement system payments, or any other group disability plan payments. If disability criteria are met, the employee will receive 66 2/3 percent of pay up to a maximum of $10,000 per month, until age 65, or Social Security normal retirement age.
