Subject: SECOND REVISION - Work Schedule for the 2016 Calendar Year

The following work schedule has been approved for the 2016 calendar year.* This schedule specifies holidays for Cal Poly State employees and provides for specific campus closures. All supervisors should be aware of and sensitive to the religious holiday obligations of our employees. Appropriate accommodations should be made to ensure to the fullest extent possible that employees have opportunities to express and exercise their religious beliefs. It is hoped that the 2016 work/holiday schedule, which combines a number of holidays with weekends, will increase the safety of those traveling and give an extra measure of recreation and relaxation throughout our busy year.

When the campus is closed, supervisors should schedule employees to work only for emergency services or in situations where essential work is necessary. Personnel needed for emergency services and essential work may include those working in areas such as: police, maintenance, medical, agricultural, mail, payroll, accounting, biological areas and residence hall services, as well as other areas on an as-needed basis.

Only holidays specifically identified in the 2016 calendar year are considered official holidays. However, those employees wishing to observe other holidays are encouraged to make arrangements with their supervisors for desired time off which will be charged to the employee as appropriate. The personal holiday day for 2016 may be used on any one day acceptable to the employee's supervisor, but must be used by December 31, 2016, or it will be lost. Certain collective bargaining agreements covering CSU employees are currently scheduled to expire prior to the last day indicated on this calendar. For employees in these bargaining units, any holiday(s) or campus closure(s) listed subsequent to the expiration of the current agreement(s) are tentative and subject to negotiations with the appropriate exclusive representative.

** Please Note: The holidays listed for January 2017 are included in this Work Schedule for the 2016 Calendar Year for planning purposes only, are subject to change, and are not to be considered guaranteed.
