

Memorandum of Understanding Out of State Employment Policy

This Agreement (“Agreement”) is entered into between the Board of Trustees of the California State University (“University”) and Academic Professionals of California Union (“APC”), both of whom are designated collectively as the “Parties” to this Agreement, regarding the Out of State Employment Policy (“Policy”).

As a result of meeting and conferring, the Parties agree to the following:

The CSU retains the right to require APC represented employees who relocated outside the State of California during the COVID-19 pandemic and who worked on campus or from a location within the State of California prior to January 1, 2022, to return to work in the State of California, but each campus President shall retain the right to grant APC employees the ability to work at locations outside of California.
3. The Parties have fully satisfied their obligation to meet and confer regarding the implementation of the Policy.
