50. CERTIFICATION — to be read and signed by all applicants to certify the accuracy of the information provided.

I certify under penalty of perjury under the laws of the State of California that I have provided complete and accurate responses to all the items on this application. I further certify that all official documents submitted in support of this application are authentic and unaltered records that pertain to me. I authorize the California State University to release any information submitted by me in this application for admission and any application for financial aid to any person, firm, corporation, association, or government agency to verify or explain the information I have provided or to obtain other information necessary for my application for admission and any application for administration of financial aid and in connection with any perjury proceedings. My signature certifies the accuracy and completeness of the information provided. I understand that any misrepresentation or omission may be cause for denial or cancellation of admission, transfer credit, or enrollment. I certify that so long as I am a student at this institution, I will advise the residence clerk if there is a change in any of the facts affecting my residence.

Signed at ____________________________  
City and County: ____________________________  
Applicant’s Signature: ____________________________  
Date: ____________________________

When claiming California residence and completing this form outside California, it must be subscribed and sworn to before a person authorized to administer oaths, such as a notary public.

Tuition Fee Refund Policy — Tuition Fees may be refunded only as authorized by Section 41802 of Title 5, California Code of Regulations. Details concerning the fees that may be refunded, the circumstances under which they may be refunded, and the appropriate procedure to be followed in seeking a refund may be obtained from the office of admission and records on each campus.

Use of the Social Security Number — You are required to include your Social Security Number (or taxpayer identification number) on admission application forms to all CSU campuses pursuant to Section 41201, Title 5, California Code of Regulations. CSU campuses use the Social Security Number to identify your student records maintained in connection with your association with the campus and, if needed, to help collect debts owed the university. Your Social Security Number may be written on your application fee check to facilitate the processing of your fee payment. Also, the Internal Revenue Service requires the university to file information that includes the student's Social Security Number and other information, such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether you, or a person claiming you as a dependent, may take a credit or deduction to reduce federal income taxes.

If you do not have a Social Security Number at the time you file the application, you may leave the item blank and the campus will assign a temporary number. However, you should obtain a Social Security Number, unless you are prohibited by law from doing so, and submit it to the university by the time you begin enrollment. Failure to furnish your correct Social Security Number may result in the imposition of a penalty by the Internal Revenue Service.
