

# First Game On Us!

Dear Cal Faculty & Staff,

On behalf of Cal Poly Athletics, we are excited to announce that this year, we are launching a new initiative for faculty and staff of Cal Poly called "First Game on Us!" We want everyone on campus to have an opportunity to enjoy a Cal Poly game on us, no matter how long you have been here.

Here's how it works: Scan the QR code below, fill out your information, and let us know which of our nine ticketed sports you would like to attend. We will reach out to you with our upcoming games, and once you select one, tickets will be emailed to you directly.

We look forward to sharing the excitement of Mustang Athletics with you and hope your first game is just the beginning of many great memories with us.

Best regards,  
Cal Poly Athletics
