SUPPORTER PAYMENT PORTAL USER GUIDE

A Supporter Payment Portal must be set up through the Student Payment Portal – which you can access using the gold “Make a Payment Now” button in Money Matters.

Once in the Payment Portal, use the “My Account” menu option in the upper left, scroll down and then use the “Send a Payor Invitation” link. Then, follow the prompts.

A full Video User Guide is available in the Student Section of our Video Guides page at https://afd.calpoly.edu/student-accounts/guides/#Students.
