Based upon sufficient evidence to substantiate the grounds, the University may grant an exception to the repayment requirement if the Teacher Resident:

- Is unable to continue the course of study or perform the service obligation because of a permanent disability or hardship; or
- Has died.

Based upon sufficient evidence to substantiate the grounds, the University may, in its discretion, grant a deferral of the repayment requirement during the time the Teacher Resident:

Original kept with the University. Copy of signed, executed contract given to Teacher Resident.
I understand that (please initial each line item):

1. The TIER Residency scholarship/stipend funds are being awarded to me as a forgivable loan. If I do not satisfy the academic and service requirements as outlined in my Promissory Note I will be required to repay the TIER funds, plus any and all associated interest and fees.

2. I will be required to begin repaying the TIER Residency scholarship funds awarded within thirty-one days of failing to satisfy the requirements of the academic program for which the funds were awarded. The academic requirements include: 1) Maintaining at least half-time enrollment each term with a GPA of at least 2.7 until graduating from the academic program; 2) Graduating from the academic program for which the TIER funds were awarded; and 3) Successful participation in all semi-annual and annual submission of demographic/employment/education related survey information associated with the TIER Residency scholarship/stipend program: a) During my continued enrollment in my academic program; and b) And after graduating from the academic program.

3. If I fail to meet the academic and/or survey requirements of the TIER Residency scholarship/stipend program for which the funds were awarded, I automatically forfeit the cancellation benefit, and all TIER funds that were disbursed to me are due and payable according to the terms of my Promissory Note.

4. I have six years beyond graduating from the academic program for which my TIER Residency scholarship/stipend funds were awarded to satisfy the service requirement. The service requirement consists of working as a teacher as outlined in my Promissory Note, with one year’s TIER Residency scholarship/stipend award being cancelled (forgiven) for every 3 years of teaching service. I am responsible for successfully submitting proof of teaching before the teaching period and immediately following the teaching period – for every year of teaching. I understand that the TIER Annual Employment & Contact Update form is available on the School of Education website. TIER Residency scholarship/stipend funds not cancelled within the six year window must be repaid. Repayment will commence 6 years and thirty-one days after I graduate from the academic program for which the funds were awarded.

5. Cal Poly and/or its billing service DOES report all repayment information to at least one major credit bureau. Accurately reported information is NOT negotiable, even after the loan has been paid in full.

6. If I am expected to repay the TIER Residency scholarship funds. I understand that there is never a prepayment penalty. I may make payment in excess of the amount expected at any time. Unless otherwise notified, any amounts received in excess of the amount expected will be applied to the principal balance and WILL NOT take the place of my regularly scheduled payments.

7. In my last quarter of half time enrollment (undergrad = 6 units and grad = 4 units) I must arrange for my REQUIRED student loan exit interview. I will do so by accessing the Student Accounts Office web page: http://www.afd.calpoly.edu/Student_Accounts/ (click on Student Loan Information). Failure to complete the exit
interview process as requested will result in Cal Poly withholding services until the loan is paid in full, or the exit interview process is completed – whichever comes first.

8. My loan may be subject to late fees of up to 20% of the past due installment.

9. I must, without exception, notify the billing service, ECSI, and Monitors within 10 days if
   a) I withdraw from Cal Poly;
   b) my name should change (I will need to provide verification of the change);
   c) I drop below half time units;
   d) my billing address and/or phone number should change (do not rely on the Post Office’s Address Change form, CONTACT THE BILLING SERVICE DIRECTLY); or
   e) I think I’m eligible for a deferment or forbearance (forms should be requested and eligibility determined by the billing service, ECSI: www.ecsi.net.)

10. ECSI will attempt to notify me with information related to my disbursements; my exit interview requirement; and loan repayment information. I understand that it is my responsibility – even during enrollment at Cal Poly – to maintain a current address and phone number on my ECSI loan account: www.ecsi.net.

11. If I fail to pay my loan as agreed, I will no longer have access to Cal Poly services (records & enrollment); my loan will be assigned to a collection agency, and may be accelerated (loan balance due and payable IN ITS ENTIRETY); all loan benefits will no longer be available to me; and I will be required to pay all collection, court, and attorney’s fees if my loan becomes, or continues to be, past due.

12. If I allow my loan to be more than 90 days past due, it will be considered in default, and such a status may compromise my ability to receive future Title IV funds, or additional institutional loan funds, through Cal Poly, SLO, until such time as the defaulted loan is paid in full. Further, Cal Poly, SLO will withhold all services until such time as the loan is paid in full.

13. I am expected to contact the billing service, ECSI, BEFORE THE DUE DATE, if I cannot make my payment on time. Cal Poly will withhold all services until my delinquent (late)/defaulted loan account has been brought current and/or paid in full.

14. I understand that whether or not I receive my monthly billing statement, my payment is due on time. I further understand that I am expected to promptly answer all communications – written or otherwise – from Cal Poly and/or ECSI.

15. I authorize Cal Poly access to any and all of my demographic, contact, enrollment, and employment information from any third party for purposes of enforcing the terms and conditions of any TIER Residency Scholarship/Stipend repayment obligation I might incur.

I attest that I have read and understand my repayment responsibilities and the options available to me. As outlined in the Promissory Note, I understand that if I do not fulfill the TIER Residency academic and service requirements, the TIER scholarship funds disbursed to me will convert into a loan that must be repaid. This loan must be repaid in a timely manner as called for in my Promissory Note. The payment terms associated with this loan program were mutually agreed upon between me and my lending institution, Cal Poly, San Luis Obispo.

In signing below I acknowledge that I have printed out an exact copy of this form, and that said copy will be considered the “recipient’s copy”.
