**Note:** Your actual registration fee due date is dependent upon YOUR registration date. The registration fee due date displayed here for each term is an early 'safe' date that works for all students. The important thing to note is that unless you are a financial aid student (see deferral info below), your registration fee payment must be on your student account BEFORE you can register! Please refer to the upcoming quarter's table of Registration Categories or to your Registration Status Channel on [my.calpoly.edu](http://my.calpoly.edu) to determine YOUR scheduled registration date and time. To ensure successful timely registration access, payment of registration fees, plus tuition if applicable, and any previous balance outstanding should be receipted on your student account at Cal Poly no later than 4:30pm one business day before your registration date.

For detailed information on how your financial status and holds affect your registration access, go [HERE](#).

For up-to-date information regarding Parking Fees visit the [University Police Department](http://police.calpoly.edu).

You can view YOUR up-to-date Student Account transactions and balance for the current term on [my.calpoly.edu](http://my.calpoly.edu)!

PAYMENT DEFERRAL INFORMATION:

Registration fees are automatically deferred for financial aid recipients. These students may register through CAPTURE or POWER without paying registration fees in advance. The portion of fees NOT covered by the financial aid award must be paid by the student BEFORE registration for the NEXT term. Student account detail and balance is accessible on my.calpoly.edu on the Student Account Transactions channel. Also, courtesy statements are mailed out approximately two weeks after the add/drop period each quarter.

Residence hall payments may be deferred if a student is in a group 1 college (see legend above) and has a financial aid award greater than $8,773.50***, not including Federal Work Study. If the student is in the College of Liberal Arts, the financial aid award must be greater than $8,532.00***. Students may request deferral by marking the financial aid box on the Housing contract or by calling the Student Accounts Office at (805)756-7632 or emailing shambly@calpoly.edu.

Residence hall AND Meal payments may be deferred if a student is in a group 1 college (see legend above) and has a financial aid award greater than $12,265.50***, not including Federal Work Study. If the student is in the College of Liberal Arts, the financial aid award must be greater than $12,024.00***. Students may request deferral by marking the financial aid box on the Housing & Meal contracts or by calling the Student Accounts Office at (805)756-7632 or emailing shambly@calpoly.edu.

*** Registration fees are subject to change based on actions by the State Legislature and the CSU Board of Trustees. This financial aid award amount, as a requirement for deferment, will change if registration fees change.
