Section I: GENERAL INFORMATION

The Concur Travel Card is the primary payment option for Cal Poly business travel; travelers are strongly encouraged to utilize this card system as a first payment option. It is a corporate liability card that is an integrated feature of the Concur travel platform (Cal Poly’s travel management system).

The Concur Travel Card offers a quick and reliable way to pay for travel and offers the same conveniences as a personal credit card. It eliminates the need to pay for travel personally and then seek reimbursement. If you have a Concur Travel Card, it should be the primary form of payment for travel expenses.

The Concur Travel Card is not intended to avoid or circumvent applicable travel policies and procedures. It is the responsibility of the individual spending funds on official University business travel and the approving official approving the use of such funds to be aware of and follow the policies and procedures in effect at the time of travel.

A Concur Travel Card is a privilege that can be revoked in cases of non-compliance to policies and procedures.

CSU Travel Policy can be found at:
https://afd.calpoly.edu/travel/policy/

It is expected that individuals traveling on official University business will take all steps to minimize risk to themselves and the University. This includes utilizing safe transportation and lodging options and acquiring appropriate insurance coverage when necessary.
Section II: APPLYING FOR A CONCUR TRAVEL CARD

1. Select an Approving Official.

An Approving Official is defined as an employee with a classification of MPP, Department Head, Department Chair or Confidential Employee. An Approving Official will review and authorize the cardholder’s travel charges each month and should be at least one level above the cardholder. A cardholder cannot approve their own charges.

An Approving Official for a Department Concur Travel Card cannot be the same person as the Department Credit Card Administrator. This separation of duties is necessary for fiscal accountability.

2. Determine a Monthly Spending Limit.

The cardholder’s Approving Official and/or Department Budget Analyst will help determine the monthly spending limit for a cardholder. The monthly spending limit should be set to accommodate travel needs.

3. Complete an Application and have it signed by the cardholder and Approving Official.

4. Training.

A newly requested Concur Travel Card will arrive at Strategic Business Services office. The Credit Card Program Administrator will then contact the cardholder regarding training. A training session is mandatory for all cardholders, and must occur before the card is released to the cardholder. The cardholder must sign the Cardholder’s Agreement.

Existing cardholders will be required to retrain annually.

5. Activation.

The card will decline if it is not activated prior to use. To activate the Concur Travel Card, call the US Bank customer service number (800) 344-5696. If calling from a campus phone, after the system answers press 9 to activate the tone sender.

-Enter 16-digit US Bank credit card account number.
- Enter Cal Poly’s zip code 93407.
- Press “1”.
- Enter the last four (4) digits of Cal Poly’s generic social security number, “9999”.
- Enter business phone number provided upon application.
- Press “1”.

Sign the back of your card.

Prohibited Uses of the Concur Travel Card

The following are prohibited...

1. Expenses not related to Cal Poly approved business travel.
2. Personal Purchases. The Concur Travel Card is only for allowable University purchases, therefore all unapproved charges incurred with the Concur Travel Card may be deducted from your travel claim (via a submitted Expense Report) or may require reimbursement to the University through the Cashiers Office. If excessive instances of personal purchases occur, your card may be revoked for misuse.
3. Alcoholic Beverages for personal consumption (exception: fundraising activities charged to a fund that allows alcoholic beverages).

The University assumes no financial responsibility for expenditures incurred by individuals who fail to adhere to policy.
Section IV: RESPONSIBILITIES

Cardholders and Department Credit Card Administrators are responsible for ensuring the Concur Travel Card is used in accordance with the policies outlined in this manual and that all charges are in compliance with CSU Travel Policy.

2. Ensuring adequate transaction documentation exists specified in the Concur Travel Card Policies and Procedures (such as Hospitality Forms and receipts when required).
3. Identifying possible violations of assigned cardholder(s) and taking appropriate action if violations are found. In cases of violations, the Credit Card Program Administrator must be notified.
4. Notifying the Credit Card Program Administrator when their assigned employee no longer has a Concur Travel Card, has left the University, or changed departments.

Note: Cardholder will receive email notifications for outstanding charges until the charges are moved to an Expense Report, but the report does not have to be submitted in order to eliminate email notifications.
