## Adding Personal Car Mileage

You must register a car for the applicable mileage type in order to be reimbursed for mileage. See **Personal Car** section for instructions on setting up your vehicles.

### To create a car mileage expense:

1. With the Expense Report open, click on the **Add Expense** tab, select the Personal Car Mileage Expense Type. The mileage form will open with the required and optional fields displayed including the **Mileage Calculator** link.
2. Complete all required and optional fields as appropriate.
3. Click the **Mileage Calculator** link and review and update the route as appropriate. If round trip mileage should be calculated, click **Make Round Trip**.
4. Click **Add Mileage to Expense**.
5. Click **Save Expense**
