Concur has updated its user interface. Concur is aware we are having trouble seeing the list of Expenses and/or the details for approvals. Concur is working on this issue. In the meantime, please use this work-around to see all the expenses, so you can continue to approve travel.

Step 1. go to Print/Share and click on CSU-Request Printed Report

Steps 2 & 3. Scroll down to the pop-up to see all the expenses (step 3).

You can see all the attachments by clicking on Attachments – View Attachments.
